

2015 SHIRAZ

Barossa Valley

Hardworking close knit families form the backbone of Australia's wine producing areas. Strong lineages and an innate connection with the land provide a bond with their craft that clearly emerges in the products they produce. 3 Sisters and a Brother is no exception, where enthusiastic sibling cooperation, accomplished technical know-how and admirable honest decent toil have combined alongside some great grapes from some of Australia's premier viticultural areas.

APPEARANCE & AROMA

Deep, dark ruby with purple hues. Ripe, vibrant fleshy dark berry fruit is supported by secondary more savoury aromas of black olives, subtle dusty oak and exotic spices.

TASTE

Round and full on the palate with flavours of blood plums and other dark fruits sitting comfortably alongside glimpses of classic Shiraz flavours of chocolate and mocha. These primary fruit characters are then framed by a subtle, but ever present fine soft tannin structure. The fruit holds deep in to the palate ensuring a long, seamless and moreish finish.
