

## Background:

... Shiraz Viognier smells like a ladies handbag and tastes like a man's wallet. Drink with anything off the BBQ, and especially a second glass.

The Zonte's Footstep Lake Doctor Vineyard is on the shores of Lake Alexandrina where, each summer afternoon the house-cooling breeze of our 'Lake Doctor' arrives and revives vines and vignerons alike. We have released this blend from the Lake Doctor Vineyard each vintage since 2003.

## Winemaking:

The fruit for the Lake Doctor comes from a single block in the heart of the Langhorne Creek. Primary fermentation takes place in a combination of stainless steel vats and 5 tonne open fermenters after which the wine is assembled into tank and allowed to complete a natural malo-lactic fermentation before being pressed off. It is then transferred to new & well-seasoned hogsheads and aged for up to 12 months prior to bottling with minimal filtration. This results in a wine with purity of fruit that is unpretentious and eminently satisfying to allow for regular indulgence.

## Tasting Notes:

(This is how late chairman Evans OBE made us all do it. Vale Len. Vintage 1930; Decanted 2006.)

**Colour:** Deep purple with a regal purple hue.

**Nose:** Fresh cracked pepper and a hint of grilled nectarine. Plum pudding and blackberry compote, a hint of rose oil and just a waft of violets.

**Entry:** Rich and enticing and fragrant red fruits. Wafts of cedar and lifted cigar box characters.

**Middle Palate:** Juicy round blackberry sweetness, tempered with some taught but typical Shiraz tannin.

**After Palate:** A rainbow of juicy fruit flavours that coats the mouth with rolling soft, fine-grained fruit tannin.

**Finish:** Malt, cedar and intense blackberry and caramelised orange peel. Minutes later, the flavour still lingers on.

**In Summary:** This is the thirteenth consecutive vintage of this wine. Though it will drink great now, especially with anything off the grill, it should cellar well as previous vintages.

## Ingredients:

Grapes and sulphur dioxide.

Other ingredients used in the winemaking process:

- Cultivated yeast.
- yeast nutrients.
- French and American oak barrels (new and seasoned).

At the time of bottling (28.08.2015), this wine contained:

- 72ppm Total SO<sup>2</sup>
- 35ppm Free SO<sup>2</sup>

## Accolades:

Double Gold Medal - CWSA 2015

Silver Medal - New York World Wine & Spirits Competition 2015

Silver Medal - New World Wine Awards 2015
