

**International Wine Review-92 PTS
Domaine Naturaliste Rebus Cabernet
2015**

Margaret River, Australia

The Rebus is a big step up from the Discovery Range Cabernet. It offers blackberry, mulberry and dried herbs on a lively bouquet. Thick, concentrated, ripe, inky fruit shows on a silky textured palate.

Outstanding value! Sourced from the Wilyabrup region and aged 14 months in 40% new French oak.
