

Lost Inhibitions – Tasting Notes - White

- ✓ Appellation: California
- ✓ Varietal Composition: Chardonnay, Muscat of Alexandria, Sauvignon Blanc
- ✓ Alcohol: 13.8%
- ✓ Vinted and Bottled By: Smashing Bottles

Vintage:

2015 California harvest was one of the earliest in a decade. A hallmark of the vintage is the small berry size that led to outstanding concentration. White varieties show bright aromatics, juicy fruit flavors and excellent acidic structure.

Winemaking:

Our grapes were harvested during the cool morning hours. Most of the grapes are fermented in stainless steel to protect their delicate varietal characteristics. Chardonnay was the exception. We partially barrel fermented and aged our Chardonnay to add a layer of texture and body to the final blend.

Winery Notes:

Lost Inhibitions White is a refreshing blend of Chardonnay, Muscat of Alexandria and Sauvignon Blanc. Fruit aromas of apricot, guava, peach, melon and lemon zest mingle with hints of vanilla. Citrus and tropical fruit flow across the palate into a lush and lingering finish.

Food Pairing:

A wonderful aperitif, Lost Inhibitions White is also a versatile food partner. Enjoy with buttered popcorn, grilled seafood and soft cheeses.
