

WASHINGTON POST says
★★★ EXCEPTIONAL!!!

**Domaine Naturaliste Rebus
Cabernet Sauvignon 2015**
Margaret River, Australia

“Winemaker Bruce Dukes has crafted an elegant, plush New World-style cabernet that explodes with ripe flavors of blackberries, currants and blueberries. Even with its fruit-forward flavors, it maintains an Old World sensibility — the oak is beautifully integrated to give structure and tannin to the wine, the alcohol is in check, and there’s a mineral undertone that suggests a fine bordeaux. Pair this with the next large hunk of beef you grill for a summer party. ABV: 14 percent.”
