## VINOVATOR - Mish Mash White

Great Southern, Australia

"This **delicious riot of a wine** — designed to appeal to iconoclasts of all ages — is a blend of riesling and pinot grigio, with a dash of viognier tossed in for good measure (and, well, aromas and body). That recipe corresponds to none of the paradigms of the wine world, but it succeeds with a **frenzy of flavor, balance and fun**. Both the name and label encourage us to... defy limitations."

**Flavor, Balance, and Intrigue #vinovator**
