

## **WEINGUT EUGEN WEHRHEIM**

### **“FRUILING”**

*The term refers to spring in your step and that’s exactly what will happen when you drink this delicious blend of three German grapes- Made of equal proportions of Riesling, Sylvaner and Muller- Thurgau, this wine is beautiful and truly seductive. The flavors explode from the glass with aromas of ripe pear and yellow flowers. On the palate, it was silky yet fresh with sweet and sour tropical fruit, lemon pith and slate.*

**Wonderful!!!**
