

GEORGES VIGOUROUX "Les Comtes de Cahors"

French Malbec

Rich heady black fruits nose; quite **savoury** with menthol and **liquorice**. Good concentration of pure, **black cherry fruit** with a layered textural quality that's rather pleasing and has a **healthy vein of acidity**.

The Washington Post says, "this is a French expression of malbec. That means flavors more toward the earth than the sun, more spice than fruit."
