WINEMAKING

Our Sauvignon Blanc was made with quality, South Eastern Australian fruit. The grapes were picked and crushed early during harvest to retain the varietal characters and preserve fruit flavour. After crushing the first press an aromatic yeast strain is added prior to cool fermentation for 2 - 3 weeks. Post fermentation the wine is stabilised, filtered and blended for bottling.

TASTING NOTE

Lead by lemon citrus flavours and tropical notes with hints of nashi pear and gooseberry. A fresh, crisp palate with balanced acidity.

FOOD MATCH

Best served with fish and chips or anything from the sea. Raise a glass and relax with your closest friends.
