

BIAGIO

Moscato Spumante

Made from 100% Moscato grapes near Asti in the legendary Piedmont region,

Biagio Moscato Spumante has a straw yellow hue and finishes with the classic frizzante spritz. The Moscato Spumante explodes in your mouth with flavors of apricot, and peach, stone fruit with a seductive mousse-like texture on the palate.

Sweet but not syrupy, the Biagio Moscato Spumante is delicious chilled on its own or with desserts, such as macerated seasonal fruit, almond flour cakes and various flavors of semifreddo.
