

Amapola Creek Proprietary Red Wine
Estate Grown, Sonoma Valley, California

Our Proprietary Red Blend is a unique expression of our hillside Estate vineyard site in Sonoma Valley's Moon Mountain District AVA. Notable red soils are the hallmark of the Moon Mountain District. Balancing elegance, fruit and minerality, the wine brings together noble Bordeaux varietals in a classic blend with an extra dimension from Rhone-Valley grapes. The blend is driven by Cabernet Sauvignon, and balanced with other varietals of Grenache, Syrah, Mourvedre, Petite Sirah & Petit Verdot.

Tasting Notes: Vibrant red/purple color. Fruit aromas of raspberry and black cherry with accents of oak, earth and a touch of spice. The lush fruit is supported by nuances of vanilla, bramble, and volcanic minerality. In the mouth soft caressing tannins provide pleasing texture and roundness. Best 2021-2027.
